**This procurement is 100% Small Business set-aside.**

**NAVY ELECTRONIC COMMERCE ON-LINE (NECO)**

Amendments will be posted directly to NECO/FedBizOpps. The posting of amendments generates an automated message to the contractor's point of contact listed in FedBizOpps, alerting them to the posting.

The drawings and specifications are available on NECO under the Additional Documents section of this RFP. Additionally, other postings will be made to NECO, such as the pre-proposal inquires (PPI) log, revised drawings, etc., under the Additional Documents section of the RFP. Postings to the Additional Documents section of NECO DO NOT generate an automated email to contractors. It is recommended contractors check the NECO Additional Documents section of the RFP periodically to see if additional postings have been made. It is the contractor's responsibility to check NECO for all postings.
